Commercial PIRs for Ireland's Hospitality Sector

Hotels, pubs, restaurants, cafés, guesthouses & commercial kitchens all rely on safe electrical systems.

A **professional Periodic Inspection Report** helps you spot issues early and keep your premises operating safely.

**SAFETY
FIRST**

**COMPLIANT
& RELIABLE**

**EXPERTS YOU
CAN TRUST**

Why a Commercial PIR Matters

A professional **Periodic Inspection Report** helps hospitality businesses stay safe, informed and prepared.

Identifies electrical **defects**

Supports **safety** for staff, guests & customers

Helps **reduce the risk** of downtime

Useful for **compliance, insurance** & **landlord/tenant** responsibilities

Clear reporting helps you understand issues and plan next steps with confidence.
